|------------------------------|--|
| Power                        | 1 LED x 1W (350mA)   |
| Light Color                  | White: Warm, Neutral, Cool<br>Color: Red, Green, Blue, Amber |
| White light CCT              | 3,000K   4,000K   6,000K                                     |
| Lumen Output <sup>1</sup>    | 140lm   140lm   160lm  |
| White light CRI <sup>2</sup> | ≥80 - Standard<br>≥90  |
| Beam                         | Wide   |
| Optics                       | Reflector  |

|                      |  |
|----------------------|--|
| Dimensions           | 74mm × 74mm                            |
| Installation cut off | 53.5mm × 53.5mm (without concrete box) |
| Height               | 35mm (without cable)                   |
| Weight               | 157g                                   |

|                 |  |
|-----------------|--|
| Housing         | Aluminum, tempered crystal glass cover     |
| Housing color   | Natural anodize coating                    |
| IP Rating       | Wet locations - IP67                       |
| Operating Temp. | -20°C to 40°C                              |
| Cable           | 30cm, 2 wire cable - Standard              |
| Connectors      | Open Wires                                 |
| Accessories     | B-7474 - concrete box (60mm x 60mm x 70mm) |

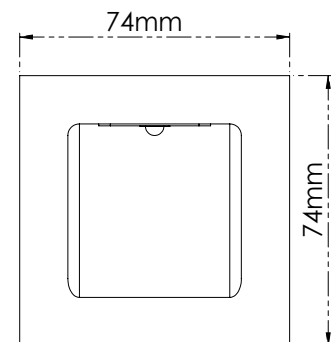

|              |                                     |
|--------------|-------------------------------------|
| Extras       |                                     |
| Power Supply | Constant Current                    |
| Control      | On/Off   0-10V   Triac   DMX   DALI |

#### Notes:

- 1 LEDs have ±10% output tolerance in accordance to manufacturer specifications
- 2 CRI 90 version is available upon request only
- 3 Extras are not supplied by default and priced separately
